Suitable design for Rice, vegetable made of heavy guage s.s. sheet available capacity with Gear system
Tilting Brasing Pan, LPG operated
Capacity: 50 kgs to 200 kgs,
Size in mm: 900x600x850

Pizza Oven

12X18 6 Pizaa

Bulk Cooker

Preparation Equipments

Wet Masala grinder

Suitable design for fast grinding with s.s. box and hammertone painted box with coconut scrapper fitted with motor-1.5HP with heavy duty gear box
Capacity: 7.5/10/15 Ltr.

Potato Peeler

Capacity:
10Kg/15Kg, 20Kg, 25Kg & 50 kgs

Pulvarisor OR s.s. Gravy machine

Capacity: 10 to 15 KG - 01HP
Capacity: 35 to 40 KG - 02HP
Capacity: 100 to 140 KG - 03HP
Capacity: 200 to 330 KG - 05HP
Capacity: 600 to 750 KG - 07HP

Dough kneading machine

suitable designed for making bulk Quantity and fast Dough made out of bowl s.s. 14gauge sheet and body m.s. painted with suitable motor with Gear box.
Capacity: 2Kg, 5Kg, 10Kg, 15Kg, 20Kg, 25Kg, 40Kg, and 50Kg

Products Range

Wash area Equipment

Single, Two & Three Sink Unit

Sink Size 600x600x850 + 150
Size in mm: 1200x600x850 + 150
Size in mm: 1800x600x850 + 150

Plate Rack

Suitable designed for storage of utensils, made of s.s. heavy gauge sheet with Uprights s.s.sq.pipes
Size in mm: 1100x600x1650

Pot Rack

Suitable design for storage of big size Pots made of good quality s.s.tubes and uprights 03nos. Shelves.
Size in mm: 1100x600x1650

Vegetable cutting Machine

Regular -1 Hp Moter ,
Capacity 150 to 200 kg

Deluxe -1 Hp Moter ,
Capacity - 200 to 250 kg

Deluxe -2 Hp Moter ,
Capacity - 500 to 600 kg

Refrigeration Equipment

Four door Vertical refrigerator

Suitable design for storage of vegetable and frozen food made of body inner GI and outer s.s. with front door s.s.with 3"puff insulation and kirlosker kit with temperature controller
Capacity:- 700 Ltr, Temp. -02 to+20 deg.cent.
Size in mm: 1200x600x2100

Water cooler

Suitable design for storage cold water with different sizes, made of inner chamber s.s. 24gauge and outer body-22gauge, with puff insulation and kirlosker cooling system and single, double and three water cock
Capacity: 40/80/150/200/300 Ltr

Onion/Pottato storage bin

Suitable designed for storage of onion and potato, made out of s.s. 1"x1"heavy gauge jali with top of door and front taper tray
Size in mm: 1200x600x900

LPG Manifold

The complete design for multi cylinder connect in one unit and maintain uniform gas pressure and saving gas & safety precaution, made of heavy gauge m.s. seamless pipe with Accessories Brass NCV, NRV, Cylinder pigtail, cylinder adapter Pressure gauge with pressure regulator

Service Equipment

Bain Marie Service Counter & Round Bowl Bain Marie / Table Top Bain Marie (hot)

Suitable design for service of ready food, made of s.s. with GN pan & front tray rail with sliding soil tray, electrical operated with thermostat controlled, three sides covered with s.s. sheet

Size in mm: 2100X600+300x850
Size in mm: 2100X600+300x850

Dining Table

Suitable design of good quality and heavy duty dining table with chairs or without chairs for industrial canteens, mess and fast food outlets made of s.s. 38 mm dia. Tubes with stool Top made of s.s.16 gauge sheet and stool thali s.s.20 gauge sheet with support m.s. available stool fixed or movable with tables

Size in mm:1200x750x750 - Four seater type,
1800x750x750 - Six seater type,
2300x750x750 - Eight seater type

Products Range

S.S. Trolley

Hot Food Service Trolley

Suitable design for ready Container hot food serving from central kitchen to another place, made out of s.s. with suitable capacity GN OR round as required size, operated by electric heating element with thermostat for proper maintain temp. Good quality of movable castor wheel
